ENTRIES CLOSE 24 FEBRUARY 2020

### Geography's Big Week Out, Kangaroo Island

"GBWO was an incredible experience to share with a group of unique and amazing people. It was also a brilliant opportunity to apply geographical skills and more broadly academic knowledge to a real-life scenario, something we might otherwise have been unable to accomplish until well into university."

**Joshua Crow, 2019 Big Week Out.**

*All travel, accommodation and meal costs for participants of the GBWO and the Australian Team are met by the Competition organisers.*

### International Geography Olympiad

"The iGeo was a fantastic opportunity not only to learn about geography, hearing from bright minds in the field and undergoing insightful fieldwork, but also to make friends from all around the globe. Being around such a wide variety of international cultures, personalities and languages is a rare event, and because of it, the experience was invaluable."

**Harry Hall, 2018 Olympiad**
